

Winn Parish Hazard Mitigation Plan Update Mitigation Action Workshop

December 15, 2022

Winnfield, LA

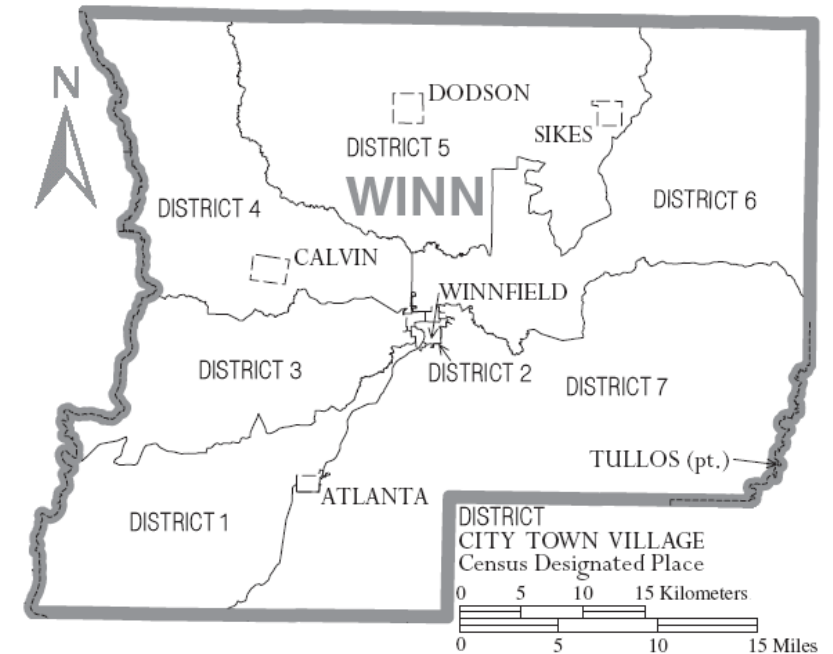

Agenda

- Review/Update State Required Worksheets
- Existing Actions Update
- New Action Identification
- New Action Form
- Outstanding Items
- Update on Planning Timeline
- Questions/Adjourn

Appendix E: State Required Worksheets

Each jurisdiction **MUST** fill these out:

- Capability Assessment
- NFIP Worksheet
- Building Inventory
- Vulnerable Population

Capability Assessment

Capability Assessment Worksheet - Winn Parish

Local mitigation capabilities are existing authorities, polices and resources that reduce hazard impacts or that could be used to implement hazard mitigation activities. Please complete the tables and questions in the worksheet as completely as possible.

Planning and Regulatory

Please indicate which of the following plans and regulatory capabilities your jurisdiction has in place.

Plans	Yes/No	Comments
Comprehensive / Master Plan	Yes	
Capital Improvements Plan	Yes	
Economic Development Plan	Yes	
Local Emergency Operations Plan	Yes	
Continuity of Operations Plan	Yes	
Transportation Plan	No	No public transportation
Stormwater Management Plan	No	
Community Wildfire Protection Plan	No	
Other plans (redevelopment, recovery, coastal zone management)	No	
Building Code, Permitting and Inspections		
Building Code	Yes	
Building Code Effectiveness Grading Schedule (BCEGS) Score	No	
Fire Department ISO/PIAL rating	Yes	
Site plan review requirements	Yes	
Land Use Planning and Ordinances		
Zoning Ordinance	No	

Place answers in Yes/No column, add comments if necessary (i.e. what year the plan was updated last)

National Flood Insurance Program

National Flood Insurance Program (NFIP) - Winn Parish

Insurance Summary

Comments

How many NFIP policies are in the community? What is the total premium and coverage?

How many claims have been paid in the community? What is the total amount of paid claims? How many of the claims were for substantial damage?

How many structures are exposed to flood risk with in the community?

Describe any areas of flood risk with limited NFIP policy coverage.

Staff Resources

Comments

Is the Community FPA or NFIP Coordinator certified?

Is flood plain management an auxiliary function?

Provide an explanation of NFIP administration services (e.g., permit review, GIS, education or outreach, inspections, engineering capability)

What are the barriers to running an effective NFIP program in the community, if any?

Compliance History

Comments

Is the community in good standing with the NFIP?

Are there any outstanding compliance issues(i.e., current violations)?

When was the most recent Community Assistance Visit (CAV) or Community Assistance Contact (CAC)?

Is a CAV or CAC scheduled or needed? If so when?

- FEMA can provide this information, or local /parish floodplain managers

Name	Street	City	Zip Code	Latitude	Longitude
*There are no hospitals in Unincorporated Winn Parish					
Nursing Homes (Private or Public)					
Name	Street	City	Zip Code	Latitude	Longitude
*There are no nursing homes in Unincorporated Winn Parish					
Mobile Home Parks					
Name	Street	City	Zip Code	Latitude	Longitude
Midway Marina RV Park	318 Hwy 477	St. Maurice		31.75474959	-92.96807228
River Bend RV Campground	113 River Bend Road	Winnfield	71483		

Existing Actions Update

- Each municipality must provide these updates
- If not completed during this meeting, updates must be provided to SDMI by the date agreed upon by the parish and jurisdictions.

Winn Unincorporated - New Mitigation Actions						
Jurisdiction-Specific Action	Action Description	Funding Source	Target Completion Date	Responsible Party, Agency, or Department	Hazard	Status
WIN1: Building Retrofits	Retrofit public buildings exterior shell to maintain use during and after storm events. Benefits: Reduces damage from high winds, and helps assure that the public buildings can be used, occupied and operable during or after storms.	FEMA HMGP, Local	1-5 years	Winn Parish OHSEP	Thunderstorms, Tornadoes, Tropical Cyclones	
WIN2: Drainage Improvement	Will relieve flooding problems, reduce flood damage and costs of damage, overtopping of roads with drain water, while also keeping open roadways during periods of high precipitation. Benefits: Relieves Parish or local government and propertyowners of the continual flooding problems, with closed roadways (loss of function). Saves public funds for road repairs, drainage ditch repairs, sandbagging and blocking of roadways during storm periods.	FEMA HMGP, Local	1-5 years	Winn Parish OHSEP	Flooding, Thunderstorms, Tropical Cyclones	
WIN3: Mitigation of repetitive loss and severe repetitive loss properties and other hazard prone structures	Elevation, acquisition-demolition, acquisition-relocations, and reconstruction of repetitive loss or flooding or other hazard prone properties. .	FEMA HMGP, Local	1-5 years	Winn Parish OHSEP	Flooding, Tropical Cyclones	
WIN4: Safe Room Projects	Construction of a safe room for first responders located in Winn Parish. Other locations will be identified based on funding availability.	FEMA HMGP, Local	1-5 years	Winn Parish OHSEP	Tornado, Thunderstorms, Tropical Cyclones, Wildfires	

Existing Actions Update

- Acceptable status updates:
 - **Deleted** – You no longer want this action/project included in the 2023 update
 - **Completed** – The action/project has been completed
 - **Not Started – Carried Over** – This action/project was not started, you would like to carry it over in the next update
 - **In Progress** – This action/project has been started and/or is actively being worked on

New Action Identification

- Each municipality must have at least **TWO** new or carried over actions for each hazard profiled in the Risk Assessment
 - In Progress actions may also count for credit with appropriate status description
- Think about potential projects over the next 5 years
- Have priorities changed? Has development created a need for new projects?
- Are there regional or multi-jurisdictional projects to consider?
- Utilize the FEMA Mitigation Ideas Resources Guide

Hazards for New Actions

- Drought
- Flooding
- Sinkholes
- Thunderstorms

- Tornadoes
- Tropical Cyclones
- Wildfires
- Winter Weather

TIMELINE	
COST ESTIMATE	
POSSIBLE FUNDING SOURCE(S)	

Filling Out Mitigation Action Forms

Must refer to goals as stated in plan

Assign priority based on TBD criteria

ASSOCIATED GOALS	
PRIORITY	

Winn Parish Goals

1. Identify and pursue preventative measures that will reduce future damages to assets and risk to population from natural hazards
2. Enhance public awareness and understanding of disaster preparedness and mitigation
3. Promote economic stability through the reduction of natural hazard impacts in the parish and municipalities
4. Facilitate sound development in the parish and municipalities through integration of mitigation practices that reduce or eliminate the potential impact of hazards.

Prioritizing Mitigation Actions

- **High Priority**

- Ongoing actions and/or actions that will provide maximum benefit that can be undertaken by existing parish staff with or without additional funding

- **Medium Priority**

- Actions with medium benefit and relatively low cost, political support, and public support but require additional funding/resources

- **Low Priority**

- Actions that require substantial funding and/or would result in limited benefit to the community

How Action Aligns with Risk Reduction	

Types of Eligible Mitigation Actions

- **Local Plans and Regulations**

- Comprehensive plans
- Land use ordinances
- Stormwater management plans
- Open space preservation

- **Structure and Infrastructure Projects**

- Acquisitions/elevations
- Utility Undergrounding
- Structural retrofits
- Detention and Retention Structures

- **Natural Systems Protection**

- Wetland restoration/preservation
- Forest Management
- Sediment and erosion control

- **Education and Awareness Programs**

- Radio/television spots
- Websites with maps and information
- Mailings to residents in hazard-prone areas
